King Power Mahanakhon

King Power Mahanakhon tower in Bangkok, is the second tallest building in Thailand. It is 314 metres tall and has 78 floors. The steel and glass tower looks like a rough spiral with surfaces cut into the side of the building. It represents the ambition and excitement of the city as well as offers amazing views.

There are luxury apartments as well as a hotel in the building. There is also a skywalk on the roof with a glass floor o you can see all the way to the ground. Are you brave enough to walk on it?
