   A. Planting trees
   B. Burning fossil fuels
   C. Recycling
   D. Saving water
   Answer: [ ]

C. Reading Comprehension - Read the passage and answer. (10 marks)

Every year, millions of tons of plastic end up in our oceans. Plastic bags, bottles, and straws harm sea animals. Many turtles mistake plastic bags for jellyfish and eat them. This causes sickness and death. We can help by using reusable bags, bottles, and boxes. Small actions can make a big difference. If everyone reduces plastic, our planet will be cleaner and safer.
