Read.

Peter has a farm. He has got a lot of animals. He has got nine sheep. They are brown. He has got five cows. They are black and white. He has got a donkey. It is grey. It is ten years old. He has got twelve pigs. They are pink. His favourite animal is the goat.

Tom and the animal farm.

Hello, my name is Tom. I'm eleven and I live in Torleo. I have got an uncle. My uncle's name is John. I love my uncle. He has got a farm and I go to my uncle's very big farm every summer. He has got many animals in his farm.

In the morning I feed a horse. Then I milk a cow with my uncle. I take photos of the donkey, goat, duck, hen and rabbit. I collect the white hen's eggs. I love the animal farm, but I don't like the ox because the ox is very big.
