## New Flavor Combination

Pepsi and Peeps are collaborating on a new drink that combines the two extra-sweet flavors, the companies announced Thursday. The new cola, dubbed "Pepsi x Peeps," mixes the taste of a Pepsi with the "pillowy-soft and sweet" marshmallow flavor of Peeps.

You cannot buy these sweet drinks in stores. They are only available in a contest on Instagram and Twitter. All you have to do is post a picture of your favorite spring activities with the hashtag #HangingWithMyPeeps and tag Pepsi.
