

"Just My Imagination"

used to be was used to play used to pray
used to play was had

There a game we
We would hit the town on Friday night
And stay in bed until Sunday
Weso free
We were living for the love weand
Living not for reality

It was just my imagination [x3]

Therea time I
I have always kept my faith in love
It's the greatest thing from the man above
The game I
I've always put my cards upon the table
Let it never be said that I'd be unstable

It was just my imagination [x3]

There is a game I like to play
I like to hit the town on Friday night
And stay in bed until Sunday
We'll always be this free
We will be living for the love we have
Living not for reality

It's not my imagination [x3]
Not my [x18]
