

In this section you will hear about a strange incident involving a bear in Colorado Springs, the United States.

- Your task will be to decide whether the following statements are true, false or we do not know because the text does not say, and write the appropriate letter in the boxes on the right.
- Write *A* if the statement is true, write *B* if the statement is false, and write *C* if the text does not say.
- First, you will have some time to look at the task, and then we will play the whole recording in one piece.

A = TRUE

B = FALSE

C = THE TEXT DOES NOT SAY

A STRANGE INCIDENT

✓ <i>Danielle dropped her children off at school.</i>	A
1. Danielle's husband made a video of the strange incident.	
2. The bear went straight to the fridge without looking into the car.	
3. The door of the refrigerator and freezer was open.	
4. Danielle used the car horn to frighten away the bear.	
5. After leaving the garage, the bear immediately ran away.	
6. Colorado Wildlife Agency believe that the bear had stolen ice-cream from another garage.	
7. The bear is seriously underweight for his age.	
8. The bear will have to be killed because it might be dangerous for children.
