

Writing Task 5: A story about a Special Day

Write **a story** about a good or lucky day for your school magazine. Use the writing tip and the plan for help. Remember that when we tell a story we mainly use the **Past Simple**.

Par 1 when your special day was,
where you were and
who you were with

Par 2 what happened

Par 3 what happened in the end
and how you felt.

When we write a story we use **linkers** to show the **order of events**: **in the beginning, then, suddenly, after that, in the end**.

Suddenly, I saw a wallet on the ground.
In the end, I gave it to the police.
