Let's learn the meaning of this song!

Verse 1:

Fixing up a car to drive in it again
Memperbaiki mobil tuk dikendarai lagi
Searching for the water, hoping for the rain
Mencari air, berharap turun hujan
Up and up, up and up
Naik dan terus naik, naik dan terus naik

Down upon the canvas, working meal to meal
Di atas kanvas, bekerja tiada henti
Waiting for a chance to pick on your orange field
Menanti kesempatan untuk memetik kebun jerukmu
Up and up, up and up
Naik dan terus naik, naik dan terus naik

See a pearl form a diamond in the rough
Lihatlah mutiara menjadi permata dengan kasar
See a bird soaring high above the flood
Lihatlah burung terbang tinggi di atas banjir
It's in your blood, it's in your blood
Semua itu ada di dalam darahmu, semua itu ada di dalam darahmu
Underneath the storm, an umbrella is saying,
Di bawah badai, sebuah payung berkata
"sitting with the poison takes away the pain."
"duduk bersama racun menghilangkan sakit."
Up and up, up and up, saying.....
Naik dan terus naik. Naik dan terus naik, katakan..

Chorus:

We're gonna get it, get it together right now
Kita akan menyatukannya, menyatukannya lagi sekarang
Gonna get it, get it together somehow
Akan menyatukannya, menyatukannya entah bagaimana
Gonna get it, get it together and flower
Akan menyatukannya, menyatukannya dan bunga
We're gonna get it, get it together, i know
Kita akan menyatukannya, menyatukannya, aku tahu
Gonna get it, get it together and flow
Akan menyatukannya, menyatukannya dan mengalir
Gonna get it, get it together and go
Akan menyatukannya, menyatukannya dan beranjak
Up and up and up
Naik dan naik dan terus naik

Verse 2:

Lying in the gutter, aiming for the moon
Berbaring di parit, membidik rembulan
Trying to empty out the ocean with a spoon
Mencoba kosongkan samudera dengan sendok
Up and up, up and up
Naik dan terus naik, naik dan terus naik

How come people suffer? How come people part?
Bagaimana mungkin orang-orang menderita? Bagaimana mungkin orang-orang berpisah?
How come people struggle? How come people break your heart?
Bagaimana mungkin orang-orang berjuang? Bagaimana mungkin orang-orang mematahkan hatimu?
Break your heart, oh
Mematahkan hatimu, oh

Yes, i wanna grow, yes, i wanna feel
Ya, aku ingin tumbuh, ya, aku ingin rasakan
Yes, i wanna know, show me how to heal it up
Ya, aku ingin tahu, tunjukkan padaku cara menyembuhkannya
Heal it up, oh
Menyembuhkannya, oh

Try and see the forest, there in every seed
Coba lihatlah hutan itu, di setiap biji
Angels in the marble waiting to be freed
Para bidadari berbentuk pualam menunggu dibebaskan
Just need love, just need love
Hanya butuh cinta, hanya butuh cinta

When the going is rough, saying
Saat keadaan keras, berkata

Bridge:

But you can say what is, or fight for it

Tapi kau tahu apa itu, atau memperjuangkannya

Close your mind or take a risk

Pejamkan pikiranmu atau ambil resiko

You can say, "it's mine," and clench your fist

Kau boleh berkata, "ini milikku," kepalkan tinjumu

Or see each sunrise as a gift

Atau lihatlah tiap terbit mentari sebagai berkah

Outro:

Fixing up a car to drive in it again

Memperbaiki mobil untuk dikendarai lagi

When you're in pain, when you think you've had enough

Saat kau dalam kesakitan, saat kau pikir sudah cukup

Don't ever give up

Jangan pernah menyerah

Don't ever give up

Jangan pernah menyerah

Believe in love

Percayailah cinta
