N° 02

ENGLISH B – HL

TITLE: "POSTING ON SOCIAL MEDIA"

LET'S UNDERSTAND

LANGUAGE FACT: Let's learn some grammar structures and vocabulary:

A) COMPARATIVES

Read the following sentences from the text and complete the chart:

- In-person contact make you feel **happier**, **healthier**, and **more positive**.
- Technology is designed to bring people **closer** together.
- Social media can make you feel **lonelier**.

Common Adjective	Comparative Adjective
Close	
Healthy	
Lonely	
Happy	
Positive	

B) MOOD

Complete the chart with one word from the sentences:

Feelings	Mood
Anxiety	
	Depressed
	Isolated
Happiness	
Stress	
	Lonely
Sadness	
Dissatisfied	
	Frustrated

- Social Media sometimes lead to loneliness and depression.
- Some people feel stressful and anxious when they aren't checking their social media.
- Lessen the use of Social media and you will start feeling happy and less sad.
- Isolation and Frustration are examples of the negative effect of Social Media.
- Feeling of dissatisfaction is another negative effect of spending an excessive amount of time on Social Media.
