

TASK 1

- In this section you will hear about some strange customs and traditions in different countries of the world.
- Your task will be to match the pictures (A-H) on the left with the countries they refer to. Put the letters of the pictures in the grid next to the names of the countries and their numbers (1-7) on the right.
- First, you will have some time to look at the task, and then we will play the whole recording in one piece.
- Then, after a short pause, you will hear the recording again, but this time we will play the text in shorter sections to give you enough time to write down your answers.
