

AFTERGLOW

- ED SHEERAN

1. Listen to the song and complete the blanks.

Stop the **clocks/rocks**, it's amazing
You should see the way the light dances off your
head

A **billion/million** colours of hazel, golden and

Saturday/Sunday morning is fading

The sun's reflected by the _____ in your hand

My eyes are caught in your gaze all over again

We were _____ drunk, waiting on a miracle

Tryna find ourselves in the _____ snow

So alone in love like the world had disappeared

Oh, I won't be silent and I won't let go

I will hold on tighter 'til the afterglow

And we'll burn so **right/bright** 'til the darkness softly
clears

Oh, I will hold on to the afterglow

Oh, I will hold on to the afterglow

The weather outside's changing

The leaves are buried under **six/sixteen** inches of
white

The _____ is playing, Iron & Wine

This is a new dimension

This is a level where we're losing track of _____

I'm holding nothing against it, except _____
and I

We were _____ drunk, waiting on a miracle

Tryna find ourselves in the _____ snow

So alone in love like the world had disappeared

Oh, I won't be silent and I won't let go

I will hold on tighter 'til the afterglow

And we'll burn so **right/bright** 'til the darkness softly
clears

Oh, I will hold on to the afterglow

Oh, I will hold on to the afterglow

Oh, I will hold on to the afterglow

2. Answer the questions:

About the singer:

Who is he?

Where is he from?

What is his nationality?

How old is he?
