- ED SHEERAN

1. Listen to the song and complete the blanks.

Stop the **clocks/rocks**, it's amazing
You should see the way the light dances off your head
A **billion/million** colours of hazel, golden and

Saturday/Sunday morning is fading
The sun's reflected by the _____ in your hand
My eyes are caught in your gaze all over again
We were _____ drunk, waiting on a miracle
Tryna find ourselves in the _____ snow
So alone in love like the world had disappeared
Oh, I won't be silent and I won't let go
I will hold on tighter 'til the afterglow
And we'll burn so **right/bright** 'til the darkness softly clears

Oh, I will hold on to the afterglow
Oh, I will hold on to the afterglow
The weather outside's changing
The leaves are buried under **six/sixteen** inches of white
The _____ is playing, Iron & Wine
This is a new dimension
This is a level where we're losing track of _____
I'm holding nothing against it, except _____ and I

Tryna find ourselves in the _____ snow
So alone in love like the world had disappeared
Oh, I won't be silent and I won't let go
I will hold on tighter 'til the afterglow
