- ED SUEERAN

1. Listen to the song and complete the blanks.

Stop the **clocks/rocks**, it's amazing

You should see the way the light dances off your head

A billion/million colours of hazel, golden and

Saturday/Sunday morning is fading
The sun's reflected by the in your hand
My eyes are caught in your gaze all over again
We were drunk, waiting on a miracle
Tryna find ourselves in thesnow
So alone in love like the world had disappeared
Oh, I won't be silent and I won't let go
I will hold on tighter 'til the afterglow
And we'll burn so right/bright 'til the darkness softly
clears
Oh, I will hold on to the afterglow
Oh, I will hold on to the afterglow
The weather outside's changing
The leaves are buried under ${\it six/sixteen}$ inches of
white
The is playing, Iron & Wine
This is a new dimension
This is a level where we're losing track of
I'm holding nothing against it, except
and I
We were drunk, waiting on a miracle
Tryna find ourselves in thesnow
So alone in love like the world had disappeared
Oh, I won't be silent and I won't let go
I will hold on tighter 'til the afterglow
And we'll burn so right/bright 'til the darkness softly
clears

Oh, I will hold on to the afterglow Oh, I will hold on to the afterglow Oh, I will hold on to the afterglow

2. Answer the questions:

About the singer:	
Who is he?	
Where is he from?	
What is his nationality?	
How old is he?
