

JOBS

Watch a film

- What should we take into considerations while choosing what to study?

- What are some of the worst jobs you can think of?
- Is it better to be a boss or an employee? Why?
- If you could do one job, just for one day to learn what it is like, what would you do?

IDIOMS

1. **In the bad books** - If you are in someone's bad books, they are angry with you. Likewise, if you are in their good books, they are pleased with you.
2. **I'm in two minds about what to do** - If you are in two minds about something, you can't decide what to do. "I'm in two minds about what to do with John. On the one hand, he is very good at his job but on the other hand, he has a very bad manner.
3. **To crack the whip** – to make someone work harder by pushing them to make more effort and by being strict.
4. **Learn the ropes** – to learn how to do a job properly.
