Ex. 1 Reading comprehension

Cheese-Rolling is a strange and quite dangerous tradition. The Cooper's Hill Cheese-Rolling competition takes place at Cooper's Hill near Gloucester in England at the end of May. Thousands of people from all over the world come to compete or simply to enjoy that unusual event. The competitors run down the hill trying to catch a large round piece of cheese. However, this is impossible because it can reach a speed of up to 120 km per hour. The winner is the first person over the finish line at the bottom of the hill and the cheese is the prize. There are two or three men's races and a women's race. The local rugby team waits at the bottom of the hill to catch the competitors! There are also races for boys and girls under 14 but they run up the hill and the winners get smaller pieces of cheese.
