

## Small Song – Lhasa de Sela

I ..... a small small song  
I ..... a small small song  
I ..... it all night long  
All through  
The wind and rain  
Until the ..... came  
This song is my small song  
This song is my small song  
I ..... it all night long  
And when the ..... came  
I had to ..... all over again  
My song is so, so small  
My song is so, so small

I could get down and crawl  
..... from  
Wall to wall  
And never .....  
Anything at all  
How could you .....  
Such a small song?  
How could you .....  
Such a small song?  
If I was right  
I would be wrong  
Don't be .....  
It's just a small song
