Dear Thomas

I hope you are doing well. It's been a while since we last saw each other and we are due a catch up. Your mother tells me all about you. I hear that you are playing tennis now and that you are rather good. That's great to know. I used to played when I was a girl at high school. I loved it!

I have just got back from my trip to the Amazon and it was just splendid! As you know, I'm a keen bird watcher and I went there with a group of bird watching companions. There were eight of us in total. All lovely people and we got along just fine.

We stayed in a wonderful hotel which was situated right in the middle of the jungle. All through the night you could hear sounds from hundreds of different animals coming from all around you. It was actually hard to sleep at times.

We did all sorts of activities from hiking to night walks. My favourite part of the trip has to be when we went kayaking down the Tambopata River, it was a real adventure. I saw all sorts of exotic animals, such as monkeys and I even spotted a jaguar which I managed to capture on camera. And don't worry, I spotted some beautiful birds too, including a Bat Falcon. I'll have to show you my pictures when you next visit.

I hope you're still enjoying your classes at school and I am really looking forward to seeing you again.

Love Grandma
