

# Listening Practice – Daily Routines

Ethan and Jenna are Molly's friends. **Listen** to their daily routine and solve the activities.

## 1) Ethan's Routine

**Listen** and put Ethan's activities in **order** (from 1 to 7)

- go to soccer practice
- clean the room
- do homework
- feed the dog
- have piano lessons
- eat dinner
- go home

## 2) Jenna's Routine

**Listen** and **choose** when she does each activity.

- |                        |                                     |
|------------------------|-------------------------------------|
| She feeds the dog.     | <b>BEFORE SCHOOL / AFTER SCHOOL</b> |
| She gets home.         | <b>BEFORE SCHOOL / AFTER SCHOOL</b> |
| She brushes her teeth. | <b>BEFORE SCHOOL / AFTER SCHOOL</b> |
| She does homework.     | <b>BEFORE SCHOOL / AFTER SCHOOL</b> |
| She watches T.V.       | <b>BEFORE SCHOOL / AFTER SCHOOL</b> |

## 3) True or False? **Listen** again and **choose** the correct option.

- |   |                     |
|---|---------------------|
| a) She wakes up at six o'clock in the morning.      | <b>TRUE / FALSE</b> |
| b) She gets up and feeds the dog.                   | <b>TRUE / FALSE</b> |
| c) She has breakfast at 7:35.                       | <b>TRUE / FALSE</b> |
| d) She brushes her teeth after breakfast.           | <b>TRUE / FALSE</b> |
| e) She plays football at school.                    | <b>TRUE / FALSE</b> |
| f) She gets home before 7 o'clock in the afternoon. | <b>TRUE / FALSE</b> |
| g) She does her homework before dinner.             | <b>TRUE / FALSE</b> |
| h) She goes to bed at ten at night.                 | <b>TRUE / FALSE</b> |
