

MONSTER

You put me on a pedestal and tell me I'm the best
Raise me up into the sky until I'm (yeah)
Fill me up with confidence, I say what's in my chest
..... my words and tear me down until there's nothing left
..... the pieces just to fit me with the rest, yeah

But what if I, what if I I'll?
What if I, what if I?
Then am I the?
Just let me know
And what if I, what if I?
And what if I, what if I break? Yeah
Then am I the monster? Yeah
Just let me know, yeah, yeah, yeah, yeah

I was 15 when the world put me on a pedestal
I had of doin' shows and making memories (yeah)
Made some trying to act cool, upset by their (uh-uh)
Lifting me up (lifting me up), lifting me up (yeah)
And (down), tearing me down (down, down), yeah
I'll take (ooh) for everything I've done (yeah)
Holding it against me (yeah) like you're the one, yeah

I had a chip on, had to let it go
'Cause keeps them in control
I came in with good then I let it go
And now I really wanna know

What if I, what if I trip? Oh (oh)
What if I, what if I fall? (I fall)
Then am I the monster? (Am I the monster?)
Just let me know (let me know)
And what if I, what if I sin? (oh)
And what if I, what if I break? Yeah (ooh)
Then am I the monster? (Am I the monster?)
Just let me know

Oh, please just let me know, yeah
Baby, what if I?

Please don't let me fall
Oh, please don't let me fall
