Hi Daniel,

My name's Alessandra. It's an Italian name, because my grandmother was from Italy, but I'm Argentinian and I live in Mendoza, a big city in the west of the country. I live with my parents and my two brothers. I am 17 years old and I'm at the secondary school. I love Science but I hate Maths. This year is different we are not going to school because of a virus. It is disgusting. I miss my friends.

I am going to tell you about myself. I am tall and a bit plump. I have got long hair and brown eyes. I wear glasses. I am going to have contact glasses soon.

I think I am a positive person. I am quite extrovert and friendly. I am also helpful and kind. But I am very honest. Too honest I always say what I think.

In my free time, I love watching films and series on Netflix. My favourite series is "La casa de Papel" There is a new season!!! The fourth!!!! I have already seen the fourth season. Can you imagine??? I don't like sport very much. But I like watching football on TV

Tell me something about you.

A kiss

Alessandra
