

FIGHTER

After all you put me through
You'd think I'd you
But in the end, I wanna thank you
'Cause you made me that much

Well, I thought I knew you
Thinkin' that you were true
Guess I, I couldn't trust,

Time is up 'cause I've had enough

You were there by my side
Always down

But your joy ride just came down

'Cause your greed sold me out

After all of the and cheatin'
You probably think that I hold for you
But uh-uh, oh no, you're wrong
'Cause if it wasn't for all that you tried to do
I wouldn't know just how capable I am to

So I wanna say thank you

'Cause it makes me that much

Makes me work a little bit

Makes me that much

So thanks for making me a

Made me learn a little bit

Made my skin a little bit

Makes me that much

So thanks for making me a

Oh, oh, oh, oh, oh-oh-oh, yeah, yeah, yeah ohh

Never saw it coming
All of your backstabbing
Just so you could cash in on a good thing
Before I realized your game
I heard you're goin' 'round playin' the now
But don't even begin feeling I'm the one to

'Cause you dug your own

After all of the fights and the

Guess you're wanting to hold me
But that won't work (no more, aha, it's over)
'Cause if it wasn't for all of your

I wouldn't know how to be this way now and never back down
So I wanna say thank you

How could this man I thought I knew
Turn out to be unjust, so ?
Could only see the good in you
..... not to see the truth
You tried to your lies

..... yourself through living in denial
But in the end you'll see, you won't stop me

I am a fighter and I (I'm a fighter)
I ain't gon' stop (I ain't gonna stop)
There is no turning back
I've had enough

Makes me that much stronger
Makes me work a little bit harder (oh)
It makes me that much wiser (oh yeah, oh yeah)
So thanks for making me a fighter
Made me learn a little bit faster (yeah)
Made my skin a little bit thicker (yeah, yeah, yeah)
Makes me that much smarter (yeah)
So thanks for making me a fighter (Fighter)

You thought I would but I, I remembered (ooh-ooh-ooh)
'Cause I remembered (ooh-ooh-ooh)
I remembered
You thought I would forget (ooh-ooh)
I remembered (ooh-ooh)
'Cause I remembered (ooh)
I remembered
