

2 Which town?

- A **AS 15** Listen to three foreigners talking about Hungarian towns. Write the number of the extract next to the relevant picture. There is one extra picture.

- B Fill in gaps 1-15 with the words in the boxes.

pedestrianised, historic, spas, packed, picturesque, cathedral

- 1 It is a lovely (1) city with a castle, many old, beautiful baroque buildings, lots of churches and a (2) The city centre is (3) area, usually (4) with tourists. The area around the city is also (5) Both in and around the city, there are swimming pools and (6)

banks, transport, dating back, facilities, palaces

- 2 It is an old, historic city (7) to Roman times. It is located on the two (8) of a beautiful river. The architecture is amazing here. A lot of the old blocks of flats look like (9) Due to its natural and architectural beauty, as well as entertainment (10), lots of tourists come to visit it every year. The public (11) here is one of the best I've ever seen.

located, estates, countryside, residential

- 3 It has a lot of housing (12) with concrete blocks. There are a lot of job opportunities here for me in the huge chemical factory (13) here. The (14) areas are really quiet and pleasant, and the (15) around is beautiful with hills, lakes and waterfalls.
