Use the following words with the /θ/ and /ð/ sounds to complete the song:

both (x2) – there's (x2) – without (x3) – that – with – the – these - thousand - warmth (x2) - things – overthinking

It's been lonely, trying to get your attention from a [] miles away
And you know me, always [] the worst possibilities
Yeah, we [] know, in between you and me, [] an ocean
Castaway in a sea and it's frozen
I'm exposed, can't you see, all I need is a little []

[] your arms around me
[] you on my skin
[] you on my body, I'm sorry, I'm sorry
I don't mean to be desperate, or pretend [] I'm not torn
But I don't want to let go of the [] that keep me warm
Without you I'm just cold

I built a little boat [] a sail from the memories I've been collecting
And I'll hold out for [] wind to blow me, take me home the whole way, in your
direction
Yeah, we [] know, in between you and me [] an ocean
And I'm just trying to get a little closer
Pull me in, 'cause I'm here and all I need is little []

Without your arms around me
Without you on my skin
Without you on my body, I'm sorry, I'm sorry
I don't mean to be desperate, or pretend that I'm not torn
But I don't want to let go of the things that keep me warm
Without you I'm just cold
Without you I'm just cold

And I need a little fire and you're my gasoline
Light me up, I'm burning, with all [] things I feel
I'll always hold this flame for you, but it's naked on the breeze
So let me in, don't lock me out, don't cast me out to sea

Without your arms around me
Without you on my skin
Without you on my body, I'm sorry, I'm sorry
I don't mean to be desperate, or pretend that I'm not torn
But I don't want to let go of the things that keep me warm
Without you I'm just cold
Without you I'm just cold
Without you I'm just cold
Without you I'm just cold
