Dear Ann!

So I'm working for the first time in my life! Wow, I must tell you it feels just starnge to have to get up early even in July. I need to be at the restaurant before eight in the morning. I and the rest od the Staff prepare everything before guests come at ten. We leave at 11 pm. Funny, but I'm learning so much here about serving clients, cooking and group work that it's almost like school! Well, anyway, see you in September.
