

Making requests

Put the conversations in the correct order.

Conversation 1

B: Yes, please. I'd like to buy a teddy bear.

A: Let me think. It's for a baby so a small one.

B: Would you like one of the big bears or a small one?

A: Can I help you?

B: I'd like the white one, please.

A: Is the brown bear OK or would you like the white one?

Conversation 2

B: Great! Let's order!

A: Let's have lunch at this restaurant.

A: Let me see. I'd like the grilled vegetables, I think.

A: What would you like to eat?

B: I'd like the steak. How about you?

B: Yes, good idea.
