

A day in the life...

1) Read what the people say about Carol, their new neighbour*.

*neighbour: vecino/a

Tim:

"Well, she **goes** out on Friday and Saturday nights. She **catches** the bus at about 7 pm and **gets** home at two or three in the morning – I **hear** the taxi. I **think** she **works** in a restaurant because she **finishes** work very late."

Maureen and Stan:

"We **think** she **doesn't work** because she's very rich – perhaps she **comes** from a famous family, and she **lives** here because she **wants** a quiet life. But every day different young people **come** and they **listen** to music for hours. I **think** she **likes** going to parties at the weekend, too – she **gets** up very late on Saturdays, and on Sundays we **don't see** her!"

Jill:

"It's very strange. She **doesn't go** to work. Every morning she **goes** for a walk, then she **has** breakfast in her garden and **relaxes** in the sun. She **reads** or **writes** in her notebook – perhaps she's a student and **studies** at university? Or a writer – like JK Rowling? I **don't know**."
