SAINT PATRICK'S DAY SONG

The story of St Patrick's Day
Began so long ago
The lyrics in this song
Will tell you
All you need to know
The seventeenth of March
Is when this joyous holiday
Is celebrated happily
With colorful parades

[Chorus :]

Dee Lai Dee Dai Dee
Dai Dee Dai Dee
Lai Dee Dai Dee Dai
Hummm...Hummm...

Patrick was only sixteen when
The pirates captured him
They sold him into slavery
And took him to Ireland

He kept the faith
And made his escape
When he was twenty-two
And made it back to Britain
It was the only home he knew

[Chorus]

Patrick had a vision
To return to Ireland

And vowed to teach Christianity
Until the bitter end
Legend says that Patrick used
The shamrock to explain
That the Father, Son and Holy Ghost
Are all and one the same

[Chorus]

On this day the Irish dress
In many shades of green
And some are feeling lucky
With the leprechauns they've seen
It's music and fun for everyone
We'll party and we'll play
Come one, come all
Come join along
On this St. Paddy's Day!

[Chorus]
