15. READING TEST A

Fantasyland is a magical place and only magical creatures live there. It's an island, and it's bigger than Cyprus but smaller than Ireland.

Cyprus is a very dry island, and Ireland and Fantasyland are very wet. But Fantasyland is hotter than Ireland. Because the grass grows better in hot, wet climates, Fantasyland is the greenest island.

Irish and Cypriot people are normal size, but the people of Fantasyland are very small. The tallest Fantasylander is no more than one metre high.

The animals of the real world don't exist in Fantasyland. For example, there are no cats and dogs there, but there is a strange animal called a dat. It has the head of a dog, the body of a cat and no tail. There are more than a hundred species of animal on the island.

There is one more difference between Fantasyland and the other two islands. You can travel to Ireland and Cyprus by plane, but you can only visit Fantasyland when you play the computer game Magic Islands.

Read. Choose the correct alternatives.

- Fantasyland isn't as ____ as Ireland.
A. small B. big C. bigger
- The climate in Fantasyland is ____.
A. hot and dry B. cold and dry
C. hot and wet
- Fantasyland people are ____.
