My Easter Holiday

What did you do during your Easter holiday? Write one paragraph.

Example:

During the Easter holiday, I slept late every day. On Thursday, I went for a walk with my friend. We ate our lunch in the park. On Friday it was cloudy, so I stayed inside. I watched a movie with my dad. On Saturday, I played computer games for a while. Then I had pizza for lunch. In the evening I did my homework. On Sunday I went to the park again. I looked at the flowers and took some pictures.
