

## Travelling in London

Drag the name and the description to the right picture.

London taxi

They sail on the river Thames. There are many different types of it. It's a good way to see the city!

Boats, ferry

The driver rides a bike at the front and two or three people can sit at the back.

Rickshaws

It drives in the streets of London. The drivers of it are very clever. They know all the streets in London.

The Tube

This is an underground train. The trains go in tunnels under the city.
