

## Storytelling - 6<sup>th</sup> Grades

1. **Open your Storytelling folder and look at the family tree we did with the main characters.** Abrió tu carpeta de Storytelling y observa el árbol familiar que hicimos sobre los personajes.
2. **Match the characters' names (1-8) with the sentences (a-h).** Ahora intentá unir con una flecha los nombres de los personajes con una oración.

- |                          |                                                                     |
|--------------------------|---------------------------------------------------------------------|
