Listen to the text.
For statements 1-5 choose **True** if the statement is true according to the text, **False** if it is false.
You will listen to the text twice.

1 Ruby has almost finished cleaning her room.   **True**   **False**

2 She needs some bin bags for the rubbish.   **True**   **False**

3 She is worried that she may throw away something she needs.   **True**   **False**

4 Jack suggests she should put the things that she wants to throw away in the attic.

    True   **False**

5 Ruby asks Jack to come to her place.   **True**   **False**
