

Santos Encarnacion Elementary School

ENGLISH 4 (April 6,2021)

- A. One of the ways to keep ourselves safe against Corona Virus or Covid 19 is to keep our hands clean at all times. In this regard, write the steps on how to wash properly your hands by putting **signal words** in the space provided . **NOTE : Write all in CAPITAL LETTERS.**

_____, Put enough soap on one hand.

_____, Wet hands in water.

_____, Rub hands together for 30 seconds.

_____, Dry hands with clean towel.

Since the pandemic started, movements have been restricted and most of us are still confined within our homes. As we now have a new normal set up in education, computers and smart phones are being used by pupils like you to attend their online classes instead of physically going to school.

I believe by now you already know how to use your device, so can you show how by putting **signal words** in the space provided. **NOTE: Write all in CAPITAL LETTERS.**

_____, turn on the computer / device.

_____, start using your computer

_____, plug in the computer / charge your device.

_____, enter your password in the computer / device.
