Drag the pictures and boxes into the correct position!

You clean them

Option 2: cut the top off and have a nice drinking glass

Option 1: paint them and turn them into a vase

1. You take them to the bottle bank

convert old or discarded materials; give them a new (and often better) purpose

treat and process waste materials; turn them back into their raw form

Option 3: Put fairy lights into them and enjoy your new lampshade

2. They get smashed and melted

3. They are turned into new bottles
