

## Agony aunt : Mission 1

My **bro** and his mates have started smoking. I saw them in the playground last week but they didn't know I saw them. I'm worried about his health and I know my parents will go mad if they find out. Should I say something?

I'm in Secondary 5 and my exams are coming soon. I'm really stressed about it all. I can't sleep and I feel sick every day before I go to school. My father really wants me to get good results but I know I'm going to fail. I just feel so useless. Can you help me?

I have a crush on this girl in my class but she already has a boyfriend. She loves him and won't break up. She totally ignores me. I feel so depressed and blue. What can I do? Please help me!

*Lovesick-13- vork*

*My best mate has recently started hanging out with some girls from another school and they all wear really cool and **glam** clothes with designer labels. I can't afford to buy those kind of clothes and whenever I am nearby they laugh at me and make fun of what I'm wearing. I've tried to speak to my mate on her own but she just says I'm imagining it. I am so upset. I want my friend back, help me please...*
