"Human"

Maybe I'm

Maybe I'm

Thinking I can see

And see what's

Got no way to it

So maybe I'm lying

But I'm only after all

I'm only human after all

Don't put your on me

Don't put your blame on me

Take a look in the

and what do you see?

Do you see it

Or are you deceived

In what you ?

'Cause I'm only human after all
You're only human after all

Don't the blame on me

Don't your blame on me

Some people got the real problems

Some people

Some people think I can them

Lord heavens

Don't my opinion

Don't me to lie

Then beg forgiveness

For you cry

For you cry

'Cause I'm human after all

I'm human after all

Don't put blame on me

Don't put the blame on me

Some people got the real

Some people out of luck

Some people think I can them

Lord heavens above

Cause I'm no or

You go looking somewhere

I'm only human.....

Don't put blame on me

Don't put blame on me
