

## How do you look at things?

*squint*      *stare*      *gaze*      *peep*      *glare*

	when you cannot see something very well
	the stars at night
	take a quick look at something
	give an angry look
	it is impolite to look like that at people

## Communicate without words

*shrug shoulders*      *nod head*      *point finger*      *raise eye brows*      *bite lips*  
*twist face*      *squeeze your nose*      *clench teeth*      *fold arms*

	I am thinking about it
	The smell is awful
	I don't know the answer
	I don't think it's a good idea
	I agree with you
	I do not believe you
	I am in pain
	I am warning you not to do it again
	I am waiting and you are being slow
