The Last Stop

======= Reviewed 2 days ago

The Last Stop is a restaurant with a difference. The restaurant is an old train station. And it's an interesting place. There's an old steam train in themiddle of the restaurant. The train is now a bar.
We sat at the bar and looked at the menu while we waited for our table. Station Master's Soup, Train Driver's Special, First-class Ticket: the namesof the food are all connected to the station theme.The service was quick and friendly. The food was good. Very good. And the atmosphere was great.I really recommend The Last Stop for a fantastic night out!
