KIDS' WEB 5 – UNIT 1

1 Read the statements and write sentences saying what their favorite school subject is.

1 Hi, I'm Bill. My favorite pastime is reading. I love poetry and fantasy novels. My favorite poet is Shakespeare. Oh, and I like to study grammar too.

2 Hello! My name is Jenny. I like to play games online and I want to learn how to design them. I'm studying coding right now.

3 Hi! My name is Sally. I love to play the piano and the keyboard, but what I'm really good at is singing.

4 Hello, I'm James. I love animals and I have a lot of pets! I like to travel to the countryside on vacation and learn about the different animals and plants there.

2 Look at the calendar and complete it with the days of the week.
