

# Conversations in the Dark

John Legend

## [Verse 1]

Talk, let's have conversations in the dark

World is \_\_\_\_\_, I'm awake with you, with you

Watch movies that we've both already \_\_\_\_\_

I ain't even looking at the screen

It's true, I \_\_\_\_\_ my eyes on you

## [Pre-Chorus]

And you say that you're not worthy

You get hung up on your flaws

Well, in my eyes, you are perfect as you \_\_\_\_\_

## [Chorus]

I won't ever try to change you, change you

I \_\_\_\_\_ always want the same you, same you

Swear on everything I pray to

That I \_\_\_\_\_ break your heart

I'll be there when you get lonely, lonely

Keep the secrets that you told me, told me

And your love is all you owe me

And I won't break your heart

## [Verse 2]

On \_\_\_\_\_ mornings we sleep in 'til noon

Oh, I could sleep forever next to you, next to you

And we, we got places we both gotta be

But there ain't nothing I would rather do

Than blow off all my plans for you

[Pre-Chorus]

[Chorus]

[Bridge]

When no one seems to notice

And your days, they seem so \_\_\_\_\_

My darling, you should know this

My love is \_\_\_\_\_ you are

[Chorus]
