

## ANOTHER BRICK IN THE WALL, 1979

Pink Floyd

<https://youtu.be/5IpY0F4Hi6Q>

We don't need no \_\_\_\_\_  
We don't need no thought control  
No dark \_\_\_\_\_ in the classroom  
Teachers leave them kids \_\_\_\_\_  
Hey!

\_\_\_\_\_, leave them \_\_\_\_\_ alone!  
All in all it's just another brick in the wall  
All in all you're just another  
brick in the wall

We don't need no education  
We don't need no thought control  
No dark sarcasm in the classroom

Teachers leave them kids alone  
Hey!  
Teacher, leave us kids alone!  
All in all you're just another brick in the wall  
All in all you're just another brick in the wall

More information about the meaning of the song here:
