Perry: Good morning Sarah! Are you going to help me with the party this afternoon?

Sarah: Yes, I am going to go to the supermarket for you.

Perry: Oh, that's nice. Is mum going to go with you?

Mum: No, I am going to prepare the drinks for tonight and dad is going to clean the garage for the party.

Perry: Well, then I go with Sarah. Are we going to meet some other friends there?

Sarah: Yes, I think Peter and Jim are going to come and help us. What do we have to buy?

Mum: Well, I am going to make a salad and hamburgers. So I need a lot of vegetables and bread, cheese and some meat.

Sarah: So we need a big basket!

Perry: Yes, I think so. Well, then we are going to take the bus at two o'clock, Ok?
Mum, are you going to write a list for us?

Mum: Yes, of course.

Sarah: Perfect. Then I am going to look for the CDs for tonight.
