Sukhareva Tower

If you at the Garden Ring in Moscow today, you a wide street in the shape of a circle. But A than a hundred years ago it was not as wide, and in places there were buildings in the middle of the street. One of B and ones was Sukhareva Tower. There C many legends about tower. One of them was that it D as a secret laboratory by James Bruce — a close friend of the Tsar Peter the Great, who was only two years than the Tsar. James Bruce was a well-educated Scotsman who read E of books. People were afraid of and thought that Bruce had a magical book which helped him make "dead" and "alive" water in the tower.
