SUPERMAN

BORN ON AN ALIEN PLANET, SUPERMAN IS ROCKETED TO EARTH BY HIS SCIENTIST FATHER BEFORE THE PLANET'S DESTRUCTION. ON EARTH, SUPERMAN IS DISCOVERED BY PASSING MOTORISTS WHO ADOPT HIM AND GIVE HIM THE NAME CLARK KENT. WHEN HE IS AN ADULT, SUPERMAN DISCOVERS HE HAS SUPERHUMAN ABILITIES. HE CAN FLY VERY FAST, HE CAN FREEZE HIS ENEMIES, HE IS EXTREMELY STRONG - AND HE IS SUPER INTELLIGENT! HE HELPS PEOPLE AND FIGHTS CRIME.

Superman is a famous comic book character. He may be the first modern superhero character.

He was created by Jerry Siegel and Joe Shuster in 1932, while they were still in high school. He first appeared in Action Comics issue #1 in 1938. Later, he appeared in movies, television series, cartoons, commercials, video games, and radio shows.

Superman is one of the most popular superheroes and is in the DC Comics. As an amazing superhero he does not kill anyone. But when he killed General Zod he had a breakdown. Like other characters in the DC Universe, there have been several alternative versions of Superman over the years.
