

NAME: \_\_\_\_\_

### SAVE THE ANIMALS!

Hello! We are worried about our dogs and cats. We need ideas to help them!

How could we help them?

Carolina. We \_\_\_\_\_ build a shelter for them.

Carlos. We \_\_\_\_\_ raise money to buy food.

Daniela. We \_\_\_\_\_ ask for help to the authorities.

Isabel. We \_\_\_\_\_ volunteer to work in the shelter.

Luis. We \_\_\_\_\_ do many things, but first we need money!

Thank you all for your suggestions. I agree with Luis and Carlos. We need the money to help our animals. So we are going to do the following:

1. We \_\_\_\_\_ raise money.
2. We \_\_\_\_\_ sell pancakes.
3. Carolina \_\_\_\_\_ find a place for a shelter.
4. Daniela \_\_\_\_\_ talk with the authorities.
5. Carolina and Isabel \_\_\_\_\_ prepare the shelter for the animals.
