What things should you consider when choosing a university? Read the article and choose the points that the students mention.

1 the course content and structure

3 opportunities to get work experience

2 the cost of the fees

4 extracurricular activities

Match the questions (1-9) with the people in 1 (A-E). Some people appear more than once.

Which person...

1 is enjoying the social side of university?

2 chose their degree because it gave them work experience?

3 didn't follow other people's advice when choosing a course?

4 likes the way their course is structured?

5 has discovered what they want to do in the future?

6 thinks it's important to consider the cost of living?

7 chose their university for its reputation in their particular subject?

8 doesn't have to worry about doing housework?

9 has used their time at university to develop personally?

Match the underlined words in the article with these definitions.

prestigious - vocational - drop out - close-knit - placement

1 leave (a course or activity)

2 when people look after one another

3 respected by people

4 a temporary job that is part of a course of study

5 that teaches skills to do a particular job
