

Electricity Saving Tips

Draw a smile on the correct electricity saving tips and frown on those that are NOT.

<input type="radio"/>	 <p>Let the sun shine in! During the day when it is brighter outside, open the curtains and use the sunlight instead of turning on the lights.</p>	<input type="radio"/>	<p>Set the air-conditioner unit on high all the time.</p> 
<input type="radio"/>	 <p>Use the electric fan all the time!</p>	<input type="radio"/>	<p>Always use the shower heater.</p> 
<input type="radio"/>	 <p>Do not leave the refrigerator door open.</p>	<input type="radio"/>	<p>Dry clothes out in the sun instead of using a dryer.</p> 

Process skills: Analysing, Predicting

Which of the following are ways to save electricity?
Tick (✓) the correct circles.

Turn off the lights when you leave a room.

Leave the computer on when you are not using it.

Choose machines that use less energy.

Use the fan instead of the air-conditioner.

Use the washing machine to wash a few pieces of clothing at a time.

Hang the clothes out in the Sun to dry instead of using the clothes dryer.
