Dear Shelley

Thanks for your email. Yes, of course I remember you from school! It was great to hear from you after fifteen years! You've done a lot of great things in your life. What did I do after school? Well, I went to London University and studied languages: Italian and Spanish. Then I worked for a bank in Spain for two years. I lived in Madrid. Do you know it? It's a fantastic city. I've also travelled a lot. I've been to China, India, Mexico and many other countries. Last year I got married to a man called Jeff. He's American and we met in the USA. At the moment we're living in Manchester, but we hope to move to the USA next year.

Come and visit us!

Best wishes

Clare
