

Read each text and write the name of the autonomous community it refers to. Use the exact names on the map. Then match them with their flags - Write the number of the text with its flag (1, 2 or 3).

1 My hometown is in an autonomous community in western Spain and it is bordered by Portugal to the west. Our flag is green, white and black. The official language is Spanish. The area I live in has a lot of wildlife. The climate is Mediterranean.

2 My hometown is in an autonomous community in the north of Spain. Its capital is Logroño. Our flag is red, white, green and yellow. The official language is Spanish. The region is famous for its wine production. The climate is continental and alpine in some parts of the south.

3 My hometown is in an autonomous community in the south-east. It has been designated a 'historical nationality'. Our flag is made up of yellow and red lines with blue and yellow to the left. There are two official languages. The climate is mainly Mediterranean.
