

Listening – “Wish I knew you” (The Revivalists)

1. Complete the lyric

You shine like a

You know who you

You're everything beautiful

She's hot, hot like the

The loneliest

Still everything beautiful

- sun
- one
- door
- are
- star
- war
- ghost

Well I'll be goddamned

You're standing at my

We stayed up in the city

Until the stars lost the

So Friday night, holy.....

Take me to your level

Show me the one I need the most

I need the most

2. Match the sentences

- I wish I knew you when I was young
- Now we're here it's been so long
- Oh, I hope you don't mind
- Two strangers in the bright lights
- I wish I knew you... I wish I knew you...

- Two strangers in the bright lights
- We could've got so high
- Oh, I wish I knew you when I was young
- We can share my mood

3. Order the sentences

- That sound comes from the underground
- It's everything beautiful
- Truth, it's all that you need
- It's everything beautiful
- You bury that seed
- It's all inside you now
